Fellow FFA members,

Here is a list of activities for the summer of 2022. Please keep this handy. These are great opportunities to help you secure the next degree whether it be the **Greenhand, Chapter, State, or American Degree**. Showing participation will also gain you a better shot at attending the **State and National Conventions** since those spots are very **limited**. Please sign up for the **"Remind"** to stay informed throughout the summer as other opportunities will pop up to participate in.
